## Visa:

To enter Russia, you will need a passport and, in most cases, a visa.

In order to obtain a Russian visa, you will need an official invitation.

To draw up the official invitation letter for visa we need:

1. Copy of the first page of passport (with photo).

Please, note that your passport should be valid for at least 6 months after intended departure date from Russia and should have at least 2 blank visa-designated pages.

2. Filled [form](#).

Please, send these two files to the local organizing committee: [msn-2023@labfer.ru](mailto:msn-2023@labfer.ru)

Deadline for official visa invitation request is June 15, 2023.

## Venue:

The conference will be held in the building of Institute of Natural Sciences and Mathematics, Ural Federal University (Kuibysheva str., 48). The parallel sessions will be held in the conference halls on the 3<sup>rd</sup> and 7<sup>th</sup> floors. Ferroelectric laboratory and Center for Shared Use "Modern Nanotechnologies" are situated on the 1<sup>st</sup> and 2<sup>nd</sup> floors.

## Preliminary schedule:

### August 27, Sunday

10.00-12.00 – visit to Ural Center for Shared Use "Modern Nanotechnologies" UrFU

13.00-16.00 – Youth School "Functional Imaging of Nanomaterials"

16.15-18.00 – excursion

18.30-20.00 – welcome party

## Proceedings:

Deadline for paper submission is **August 30, 2023**. Each presentation allows the authors to submit only one manuscript for publication. All the papers will be reviewed.

The conference proceedings will be published in the international journal **Ferroelectrics**.

General details of the journal requirements can be downloaded [here](#).

The publication is free of charge. Please, submit the manuscript in electronic format (including separate files of each figure) together with one hardcopy printout exactly matching the electronic version. These copies should be delivered in person to the registration desk and should be marked with the abstract No. in the program.
